JOINT STATUS REPORT

Pursuant to the Court's Order dated January 23, 2012 (Dkt. #16) staying this matter, the plaintiff Standard Innovation Corp. and defendants Leloi AB and LELO, Inc. ("LELO") hereby submit this joint report on the status of the related ITC Investigation No. 337-823 (the "ITC Investigation") which was the basis for the stay of this suit.

The ITC Investigation remains active and ongoing. A copy of Order No. 3, Setting Procedural Schedule (the current scheduling order for the ITC Investigation) is attached as Exhibit A. At this time, the parties are involved in the discovery phase of the investigation. The exchange of initial expert reports is set to occur on May 7, 2012, with trial set for August 20-24, 2012 and the target date for completion of the Investigation is May 10, 2013.

On April 3, 2012, LELO and Standard Innovation Corp., as well as the other respondents in the ITC Investigation, engaged in a full-day mediation as part of the

Section 337¹ Mediation Program. While several respondents in the ITC Investigation reached tentative agreements in principle, LELO and Standard Innovation Corp. have not reached any agreements to date.

The parties plan to file a status report on August 2, 2012.

Respectfully submitted,

Date: May 4, 2012

/s/Alan D. Rosenthal
